

Pit Space Allocation – 2014

- Pit spaces may be reserved for use on race day.
- Reserved spaces may be end-to-end or side-by-side.
- Each entrant may use one or two numbered blocks.
- When allocating reserved spaces it will be on a first come first served basis.
- Allocated spaces are at a cost of £80 per year (Jan to Dec) for two adjacent numbered blocks. (see page 2).
- On race day any allocated spaces that are un-occupied at 08:30 may be re-allocated.
- Vehicles not directly associated with pit bay activities may be asked to move to alternate parking during events where there are increased numbers of entrants and space is at a premium.
- Additional vehicles, whether support or visitor must be parked in the upper car parking area.
- ALL spaces are considered un-allocated on a practice day apart from areas occupied by on-sites services or traders.
